## GO BEHIND THE SCENES AT COMMUNITY MEALS!

See how our meals-on-wheels organization works behind the scenes – from behind the kitchen counter - to behind the wheel – and finally to the client’s front door. In about an hour you’ll get the whole experience.

In the kitchen you can help process the aluminum “to-go” containers with the day’s meals (freshly prepared by Valley Hospital Dining or help pack them according to one of the 9 delivery routes.

Then it’s delivery time – you can accompany a volunteer driver as a “hopper” to deliver the route’s meals to the client’s home.
